

Dear GCCA Member:

On behalf of the Georgia College Counseling Association, I invite you to nominate your Counseling Services Director and/or Counseling Services Staff for a state-wide award in recognition of the services they provide to your university. The Georgia College Counseling Association is a professional membership organization composed of professional practitioners employed in the counseling programs of Georgia's public and private institutes, colleges and universities. Founded in 1992, the association is affiliated with the American College Counseling Association.

The Association advocates and promotes professionalism, offers continuing education through an annual Conference and regional workshops, promotes state licensure and national certification, provides Crisis Intervention Network support, fosters networking with colleagues, hosts a website, discussion list, and newsletter, governs through a leadership Council dedicated to serve the members' professional needs, and otherwise promotes the profession of college counseling. Nomination forms are located online at: <http://www.gacollegecounseling.org> . The deadline for nominations is January 5, 2010. Nominations can be e-mailed to the GCCA past president and award nomination chair, Predita Howard, at phoward@mgc.edu or mailed to her attention at: Middle Georgia College, 1100 Second Street SE Cochran, GA 31014

Nominees and winners will be recognized at the GCCA annual conference in St. Simons Island, Georgia, January 27, 28 and 29, 2010. If you would like additional information about the award selection process or about the organization, please do not hesitate to contact me at phoward@mgc.edu or call 478.934.3092.

Sincerely,

Predita Howard
