

READY TO CHANGE YOUR FUTURE?

For nearly a decade, Emerge Scholarships has empowered 100 Georgia women through education by providing more than \$500,000 in academic scholarships. These educational experiences, combined with encouragement and support provided by Emerge volunteers, give these women the opportunity to advance professionally and become self-sufficient for not only themselves but also for their families and their communities.

Emerge Scholarships' focus is to:

- Encourage and enable Georgia women whose education was delayed or interrupted to complete their studies
- Propel individuals who possess a vision to succeed regardless of the obstacles
- Advance future leaders who have demonstrated a deep commitment to reaching their educational goals and who are actively giving back to their communities
- Educate women, who in turn educate, inspire and create economic stability in their families and communities
- Start a chain reaction to influence positive change
